## A. Complaints

Below is a list of complaints people sometime have. For each item, check the one that best describes how bothersome the complaint was for you during the past 4 weeks. Be sure to mark one box for each complaint listed. If you did not have the problem, please check the box under "did not occur." If you had the complaint, use the following key to indicate how bothersome it was:

- **Mild** = complaint did not interfere with usual activities.
- **Moderate** = complaint interfered somewhat with usual activities.
- **Severe** = complaint was so bothersome that usual activities could not be performed
